

Application to attend Penrose Conference
Secular Variation in Tectonics and Allied Fields
St. George, Utah, Oct. 22-28, 2004

Your name, title, and organization _____

Mailing address _____

Email address _____ Telephone number _____

Fields of expertise _____

Briefly describe your experience and research interests as they pertain to the conference as described in the April 2004 issue of *GSA Today*. If you would like to give a talk or present a poster, what would it be on? If it will help us evaluate your application, feel free to provide a link to your home page, or attach a brief CV. Students are encouraged to apply. One page limit please.

Respond by email to Dwight Bradley (dbradley@usgs.gov) **and** John Dewey (dewey@geology.ucdavis.edu)
